## A MESSAGE FROM THE FOOD & BEVERAGE TEAM...

February seemed to slip by here at the club; the month included our four course Valentine's dinner, paint nites, our yearly London Life/Freedom 55 bonspiel and La Poutine week which brought in many people.

As we look onto the month of March we have a steady month consisting of weekly Paint Nite's, both regular public event dates and private fundraiser events which typically bring in more food & beverage revenue. A large wedding, a couple corporate curling nights, curling funspiels, and league curling windup dinners are also booked. March 23<sup>rd</sup> will be our Italian Buffet, the menu includes a fresh pasta sauté station, mussels, and a gelato bar and of course Tiramisu are some of the desserts. This March is busier then what our past years have had, which is what we always hope for.

The clubhouse food and beverage hours of operation will remain unchanged for the month of March and are as follows to help control costs leading up to the golf season.

This month's gazette will end on a bittersweet note for me, as I have accepted a position with the Assiniboine Park Conservancy. Thank you so much for eight excellent years at your club. I have worked alongside some excellent colleagues, and have had so many opportunities to meet many great members and customers.

I will never forget my time here and will definitely miss the Rossmere team.

Best Regards,

Kyla Bellisario  
Special Events Manager
